KE-DBA-LABW-S

Intelligent addressable detector accessory - blank label (small)

General

The innovative Excellence range of intelligent addressable devices offers advanced features for reliability and peace of mind. Coupled with features for ease of installation and maintenance on new fire detection systems, it's a perfect match for exceptional overall performance.

The KE-DBA-LABW-S is a small format, Excellence series adhesive label set. It is designed to fit perfectly on small Excellence series device tags, as well as the detector. It allows for neat and easy labeling for easy address identification.

Details

- Automatic adhesive for quick placement
- Easy, aesthetic fit for clear address visibility
- Unprinted label for free format text

KE-DBA-LABW-S

Intelligent addressable detector accessory - blank label (small)

Technical specifications

General

Compatibility	Excellence series detectors and tags

Physical

Colour	Hvid
Mounting type	Adesivo
Functional marking	Blank (no marking)
Material (body)	Laminated paper

Environmental

Vandal proof	No
Environment	Indendør

Regulatory

Compliancy	CE, REACH, RoHS 3, WEEE
Certification	CE

Compatible products

Category	Reference	Description
Detection device	KE-DB3010W	Excellence series intelligent device accessory - standard base
Detection device	KE-DP3020W	Excellence series intelligent addressable dual optical smoke detector
Detection device	KE-DP3021W	Excellence series intelligent addressable dual optical/heat detector
Detection device	KE-DP3120W	Excellence series intelligent addressable dual optical smoke detector with isolator
Detection device	KE-DP3121W	Excellence series intelligent addressable dual optical/heat detector with isolator
Detection device	KE-DT3001W-HAB	Excellence series intelligent addressable heat detector
Detection device	KE-DT3101W-HAB	Excellence series intelligent addressable heat detector with isolator
