PS5VDC2A-UK

5 VDC 2 AMPS. Wall plug PSU - UK

Overview

KGS Fire & Security's wide range of power supplies provide solutions for all the majority of various applications. Available in wall format with adaptors, KGS Fire & Security supplies can be used with all major power plugs. Solutions include both in wall and “power brick” configurations. Switching supplies include advanced technology and power savings, meeting Level IV (4) International Efficiency in compliance with California Energy Commission, Energy Star and the EU Code of Conduct for external power supplies. Supplies can be mixed and matched to a variety of KGS Fire & Security products to meet installation requirements.

Supplies are available in both +48 Volt DC, +12 Volt DC and +5 Volt DC models, meeting a wide range of price, installation and wall prongs for world-wide operations. With KGS Fire & Security power supplies, the power is in your hands.
